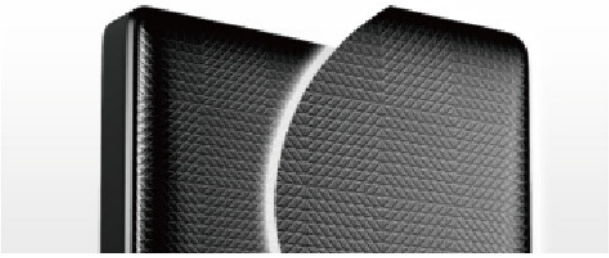
Light in weight as well as in size

Apart from the sleek stylish look of the Diamond series, SP D01 portraits the urban fashion trend with its seamless geometrical patterns. As small as your smartphone, D01 weights only 147g, infusing “lightness” into your personal digital storage device.



Geometric pattern for the urban fashion trend

Coated in metallic black, SP Diamond D01 is lined with multiple geometric patterns, creating a sense of metropolitan chic style. With the solid aluminum metal structure and the anti-scratch surface, SP D01 can make you free from worrying about your hard drive being scratched or dented when carrying it around.

Ultra Fast Transfer Rate

Diamond D03 outstanding read/write speed is coupled with the latest USB 3.0 interface feature a 5Gb/s bandwidth which is 10x the bandwidth of a USB 2.0 interface. It saves users precious time backing up to and from the hard drive when transferring mass data files.

Features

- SuperSpeed USB 3.0 compliant and backwards compatible with USB 2.0
- High transferring rate up to 5 Gb/sec
- Solid aluminum metal structure and scratch resistant surface
- Power saving sleep mode
- LED indicates power on and data transfer activity
- New version of SP Widget free download software, providing 7 major back-up and security functions (256-bit AES file & folder encryption)

Specifications

- Dimensions : 75.5 × 117.55 × 14mm
- Weight : 147g
- Interface : USB 3.0 / 2.0
- Support OS : Windows 7, Windows Vista, Windows XP, Windows 2000, Linux 2.6.31 or later, MacOS 10.5 or later (only USB 2.0 currently supported)
- Power Supply : DC 5V (Power supplied through USB)
- Operating Temperature : 5°C ~ 55°C
- Storage Temperature : -40°C ~ 79°C
- Color : Black
- Three - year warranty
